OVERLOOKED FALL FISHING

Walleye fishing is great in the fall, but don't forget about other species that are active in fall. Most are found in smaller inland lakes out of the weather.

OVERLOOKED FALL FISHING MY FAVORITES

1. Cisco/Whitefish
2. Lake Trout/Splake
3. Steelhead
4. Pike

OVERLOOKED FALL FISHING

Cisco/Whitefish

- 1. Look for lakes with deep (40' +) water**
- 2. Easy to find on sonar-large schools**
- 3. Fall is spawning time! Shallow gravel**
- 4. Jigs with plastics and/or live bait**
- 5. Jigging spoons/Glide baits**

OVERLOOKED FALL FISHING

Lake Trout/Splake

- 1. Look for lakes with deep (40' +) water**
- 2. Planted in a lot of smaller inland lakes**
- 3. Will be on deep structure or cruising flats**
- 4. Fall spawners on shallow gravel (cisco)**
- 5. Jigs and plastics/Spoons/Crankbaits**

OVERLOOKED FALL FISHING

Steelhead

- 1. Great Lakes bays, streams and marinas**
- 2. Boat fishing, wading, bank fishing**
- 3. May be hard to find uncrowded places**
- 4. Floats with bait, beads, spawn**
- 5. Casting jigs, crankbaits, spoons, spinners**

OVERLOOKED FALL FISHING

Northern Pike

- 1. Best time of year for a trophy!**
- 2. Best fishing is lakes with deep water bait**
- 3. Inside corners and shallow rock structure**
- 4. Big Crankbaits, Jigs/plastics, spoons**
- 5. Dead bait**
